

Khawehjiheyying Comprehensive Community Planning Survey

Thank you for taking the time to fill in this survey,. The survey is designed to help the community plan future initiatives. The results of the survey will be shared with the community and key finding will be highlighted in the **Khawehjiheyying** CCP monthly Newsletter.

Please answer the following question by sharing your idea in the space provided.

Lack of adequate housing is an identified community concern. What should be done to address the lack of adequate housing for our community?

What should be done with abandoned houses and partially burned houses to benefit the community?

LANDS:

What solution can we come up with to use land sensibly, sharing our land with ALL community members?

What are some land use projects that we can work on as a community? Ideas: tourism, campsites, rehabilitation camp, cultural camp, fishing dock and excetra.

What is a solution to access land not cleared and deeper inside the community, a place where yards can be cleared for the rapid growing community?

EDUCATION:

What type of after school programming would you like to see in our school system? Specific to school groups: elementary, middle years, high school.

ECONOMIC DEVELOPMENT:

What is a positive solution to create Economic Development, which would mean jobs for the community?

CULTURE:

Describe what the community stands for? If a community motto was stated, what might it say? Example: Powerview/Pine Falls calls itself, *"Walleye capital of Manitoba."*

SOCIAL:

How can the community uphold safety procedures to lower drug dealers/trafficking in our community?

Many community members stated in the CCP Wishing Wells that the youth need a place to belong, to keep them safe and occupied. How can we make this wish a reality? Share ideas on how we will build 2 recreation halls in our community for our youth on both sides of the river?
