RECIPE

Chicken Noodle Soup

Ready in **1 hr 45 minutes**

Serves **8 people**

Ingredients

- 2 Tbsp vegetable oil (30mL)
- 1 medium yellow onion
- 3 cloves garlic
- 3 carrots
- 3 celery stalks
- 2 chicken-breasts (bone-in)
- 1 tsp (5mL) dried basil
- 1 Tbsp (15mL) dried parsley
- ½ tsp (2mL) dried thyme
- 1 whole bay leaf
- Salt and pepper to taste
- 6 oz dry pasta

Tips

Use 2 cups (500mL) leftover cooked rice instead of dry pasta!

<https://www.tasteofhome.com/collection/recipes-made-canned-foods/>

Preparation

1. Dice the onion and mince the garlic. Add the onion, garlic, and olive oil to a large pot and saute over medium heat for about 5 minutes, or until the onions are soft and transparent.
2. While the onion and garlic are sauteing, wash and slice the carrots and celery. Add them to the pot and continue to saute for a few minutes more.
3. Pull the skin and any excess fat from the chicken breasts. Add the breasts to the pot along with the bay leaf, basil, parsley, thyme, pepper, and eight cups of water.
4. Cover the pot, bring it to a boil over high heat, then reduce the heat to low and simmer for one hour. Make sure the pot continues to simmer for the whole hour. If the heat is turned down too low and it is not bubbling away, the chicken will not shred easily.
5. After an hour of simmering, remove the chicken from the pot. Using two forks, pull the meat from the bone and shred slightly. Season the broth with salt. Begin with one tsp and add more to your liking.
6. Add the noodles to the pot, turn the heat up to high, and boil the noodles until tender (about 7 minutes). Return shredded chicken to the pot.

RECIPE

Chicken Corn Chowder

Ready in **30 minutes**

Serves **4 people**

Ingredients

- 2 Tbsp (30mL) butter or margarine
- 1 small onion, finely chopped
- 1 celery stalk, finely chopped
- 1 small sweet red pepper, finely chopped (optional)
- 2 cans (14oz each) kernel corn
- 1 ½ (375mL) cooked chicken, chopped
- 2 cans (12oz) reduced-fat evaporated milk
- 1 tsp (5mL) chicken bouillon powder
- Pinch of salt and pepper each, to taste

Tips

Optional: 8 bacon strips, cooked and crumbled, or 1 cup (250mL) cooked ham.

Preparation

1. In a large saucepan, heat butter over medium-high heat. Add onion, celery and red pepper (optional); cook and stir 6-8 minutes or until tender.
2. Stir in corn, chicken, evaporated milk, bouillon and pepper.
3. Heat through, stirring occasionally (do not boil). Top with ham or bacon if available).

RECIPE

Hamburger Soup

Ready in **1 hour 15 minutes**

Serves **6-8 people**

Ingredients

- 1lb (500g) lean ground beef (or chopped or ground wild meat)
- 1 medium onion, chopped
- 4 cloves garlic or 1tsp (5mL) garlic powder
- 19oz (540mL) can tomatoes
- 10oz (284mL) can tomato soup
- 1tsp (5mL) Worcestershire sauce
- ¼ tsp (1mL) pepper
- 4 cups (1L) water
- ½ - 1 packet (2.25-4.5g) reduced-salt beef bouillon mix
- 3 medium carrots, peeled and sliced
- 1 cup (250mL) chopped cabbage
- 1 ½ cups (375mL) frozen corn or 12oz (341mL) can corn kernels
- ¼ cup (50mL) dry macaroni

Preparation

1. Brown the hamburger meat. Drain off as much fat as you can.
2. Add the onions and garlic, and cook at low heat until onions are soft.
3. Add the tomatoes, tomato soup, Worcestershire sauce, pepper, water and bouillon mix.
4. Bring to a boil, cover and simmer for 30 minutes.
5. Add the vegetables and macaroni. Cover and simmer for another 30 minutes.

Tips

Plain frozen vegetables, such as frozen corn, have much less sodium than canned vegetables.

If you are able to, buy reduced-salt or low-sodium versions, such as tomato soup with 25% less salt or low-sodium canned tomatoes.

RECIPE

Roast Chicken

Ingredients

- Whole Chicken

Tips

Preparing a whole chicken makes great leftovers for lots of the different recipes in this resource, including: homemade chicken stock, baked chicken and potatoes, soups, casseroles, and sandwiches!

Baked Chicken Pieces

Preparation

1. Remove fatty chicken skin. Sprinkle on Chicken Spice Mix, roll chicken in shake-and-bake coating, or brush lightly with BBQ sauce.
2. Bake chicken pieces on a rack so extra fat drips off at 350°F (180°C) for about an hour or cook in a pan on stovetop with a small amount of water.
3. Chicken is cooked when no longer pink, cooked to 170°F (75°C).

Preparation

1. Place your chicken on a rack, breast side up in a covered pan. For the last 15 minutes of cooking, uncover the pan to brown.
2. Cook chicken for 15 minutes per pound in a 350°F (180°C) oven. Cook the meat to an internal temperature of 170°F (77°C) measured with a thermometer in a thick part of the chicken (e.g. inner thigh).
3. Once cooked, remove most of the high-fat skin, and slice the dark and white meat.

Chicken Spice Mix

Ingredients

- 2 tsp (10mL) oregano
- 1 tsp (5mL) each (thyme, paprika, pepper, and chili powder)

Preparation

1. Makes enough for many meals. Add all ingredients in a jar with a tight lid. Mix well. Sprinkle mixture on skinless chicken before cooking.

3. Stir in flour and paprika, reduce to low heat. Cook for 3-5 minutes until paprika has a strong flavourful scent.
4. Return chicken to pan, simmer covered for 30 minutes, until a thermometer inserted into the deepest part of the thigh reads 170°F. Transfer chicken to serving plate.
