Resupply / Restocking

We require more supply. *Restocking can be done for the entire kit or by individual ampules if they expire.*

_____ Injectable kits _____ Replacement Ampules _____ Nasal Sprays

Shipping Address: _____

The process for resupply will be improved over time, please send feedback in order to improve the process:

Important Reminder on Expired Supply

- Watch expiry dates
- Dispose of unused naloxone the same way you would other medications or return it to your local pharmacy
- We can reorder just the ampules, if you need to only replace the Naloxone in the kits provided
